The United Arab Emirates (UAE) are a federation of seven emirates situated in the southeast of the Arabian Peninsula on the Persian Gulf. The capital and second largest city of the UAE is Abu Dhabi.

UAE, rich and safe, is one of the world's fastest growing destinations for MICE. 80% of the country is desert, yet it offers contrasting landscapes, awe-inspiring dunes and rich oases, precipitous rocky mountains and fertile plains. Best ingredients for a memorable stay: sun, sand, sea, sports, world-class shopping malls, top hotels & restaurants, an intriguing traditional culture and a welcoming environment.
